STATE CHAMPIONS DUET ACTING RITA COTTON STEVE TAYLOR

It was the best of times...A leap into time. 1984 brought many events and memories our way. Most, we will cherish forever. Roncalli produced a number of successes throughout the year. The Forensics Team had two State Champions. The Redick Avenue Music Company finished with a superior rating. If a person was looking for a fun time, all he or she had to do was go to one of the Student Council dances or watch their fashion show. Brother Steve ended his seven year reign as director by adding two more plays to his success list. In the busy rooms of Mr. Kruegar and Mr. Schleuter, were the Journalists hard at work producing the yearbook and newspaper. Roncalli was privileged to have a number of guests this year. The Nebraska Symphony filled our ears with the sounds of music. David Toma gave an informative talk to our students about drugs. Mr. Wirth brought to us such political people as Hal Daub and Tom Cavanaugh. The opera also made a stop at our music room. The students really made this an active year, from the freshmen all the way up to the senior class. The 1983-84 year will definitely be the most active and fun-filled — at least until next year.

HOMECOMING WEEK

Homecoming Week sparkled with color, food, and excitement and brought back memories. The week got rolling with a Community Day mass. On Tuesday, students dressed up as inanimate objects. The atmosphere changed from silly to serious during the crowning of the royalty on Wednesday. The fun resumed as the faculty ripped the seniors in the annual volleyball game, and the juniors captured the hall decorating title. Many Roncalli alumni came back on Friday to watch the Pride play football and renew old friendships. The Homecoming dance brought a fitting end to Homecoming Week 1983.

"Ashes to ashes, dust to dust; the remains of our father went up in a gust." This could sound a little off-beat to most, unless you took advantage of seeing the 1983 production of **A Wind Between The Houses**. Again, the Roncalli Players did a fantastic job with very special performances by Maureen English and Colleen Colgan, who played daughters of the deceased. Judging from the wind made by the applause, you can bet that director Bro Steve, as well as the cast, were very pleased.

Flappers and football were the subject for Roncalli's spring musical, **Good News**. Once again, Bro. Steve managed to outdo himself, marking his last year of directing as one of his best. With a cast consisting almost entirely of underclassmen, next year's musical will surely be filled with the same strong voices, enthusiasm, and theatrical talent as in the past.

RONCALLI WEEK

The student body jumped into another fantastic Roncalli Week with both new and old events to make it special. Archbishop Daniel Sheehan, an honored guest, helped in celebrating an all school mass to bless the occasion. This year also brought a collection of new events including the "Art Show", "Salad Bar Day", and "Student Faculty Basketball Game" while old rabble rousers like the "Battle of the Sexes" provided tradition as well as pride to fit the theme of Roncalli Week.

A song for the bishop.

For every heart there's a key.

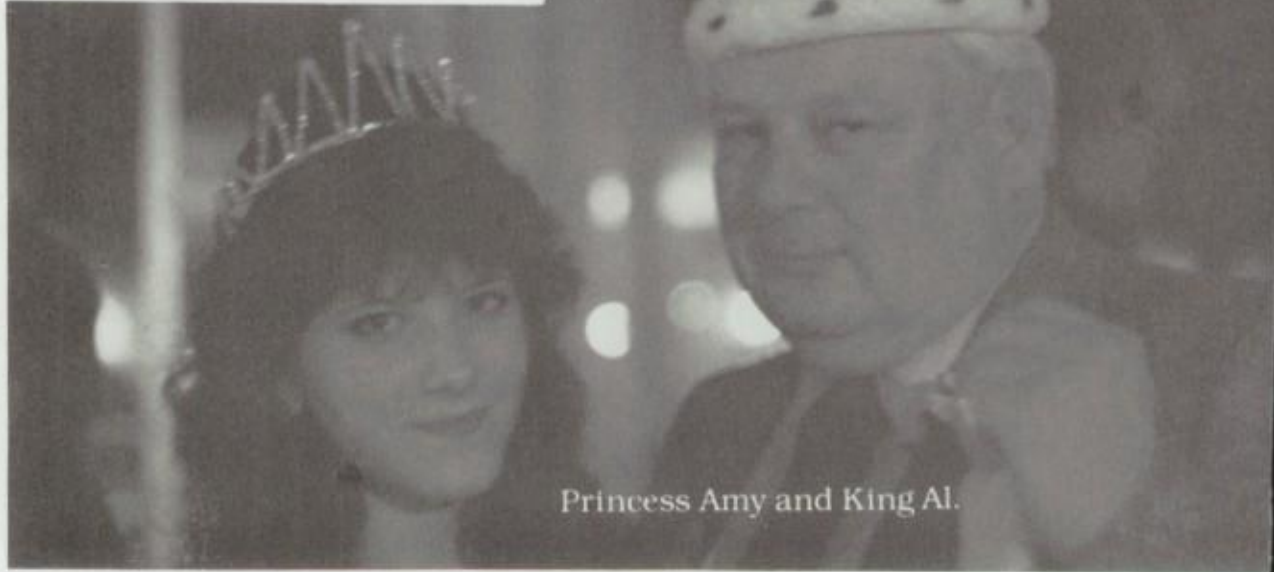

He was a beautiful baby.

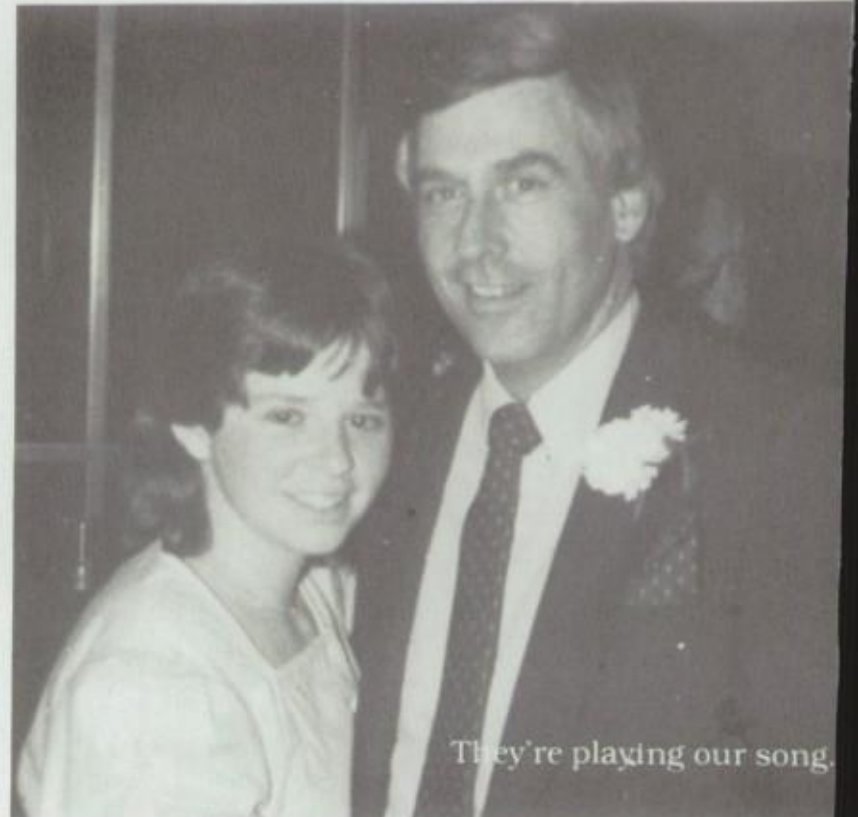

Dad-Daughter Prom

In the past Dad Daughter Prom has been an event to strengthen the bond between father and daughter, and this year was no exception. Daughters proudly sporting their fathers, and vice versa, lifted the event to an overwhelming success. Al and Amy Weishapl walked the red carpet to royalty this year, and they ultimately displayed the perfect father/daughter friendship.

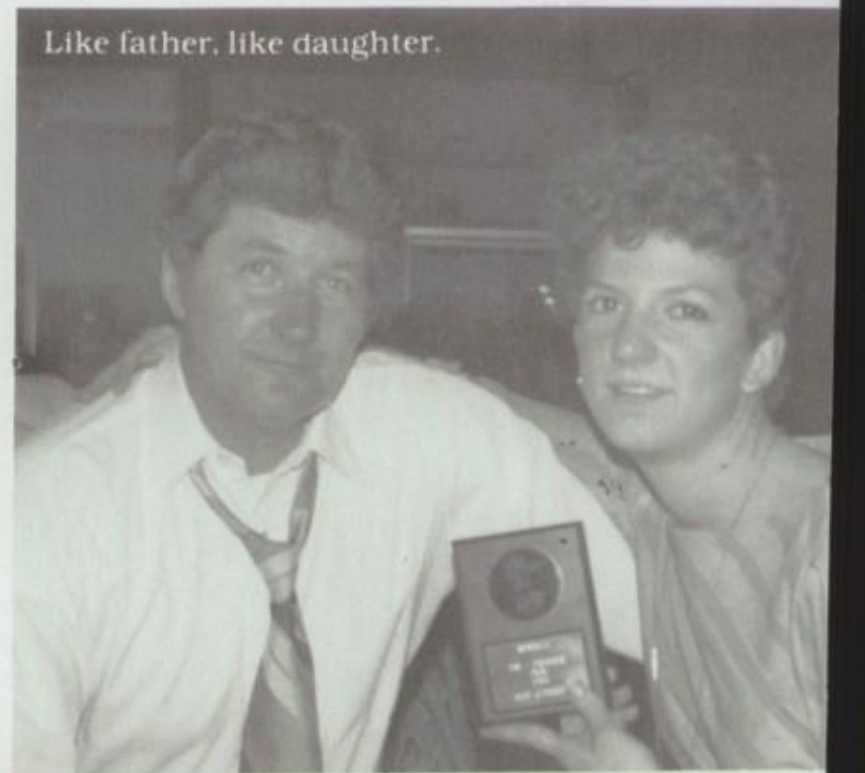

Princess Amy and King Al.

They're playing our song.

MOM PROM

Mother's Day started off on the right foot for the mothers by dancing the night away with their sons at Mom Prom. This special night out on the town usually includes a dinner followed by some hoofin' that would scare Fred Astaire. The peak of the evening comes with the crowning of the royalty. The honored mother/son couple was Rosemary and Paul Andrews.

My Mom.

Mrs. Fly sneaks a peak.

What would you call a day in May with 500 screaming students and faculty members? Psychiatry 101? Try May Mania. Once again the student and faculty lunatics were allowed to roam the soccer field in search of events done in tac competition such as the "Tug of War", "Volleyball", "Kickball", and the "Wagon Relay". To top it off the coronation of the favorite female and male faculty nut received the ceremonial pie-in-the-face as an example of student respect.

"Hey brother."

It's deer season again.

FORENSICS

In the past years the Roncalli Forensics team has grown into a larger and stronger success story. Every year has produced a number of State champions. This year the team finished first in their district, and sent twelve people to the State meet. Nine of them finished with top honors, while the team finished fourth overall. Senior Rita Cotton and Junior Steve Taylor were State champs in duet acting, while Steve also took third place in Humorous Interpretation. Senior Lisa Bauer finished second with her informative speech on "Gravity". Finishing fourth in oral interpretation of Drama were freshmen Mary Beth Adams, Ann Rasnik, and Kris Stanzel, sophomore Amy Weishapl, and senior Julie Shenkleburg. Congratulations!

RECRUITERS

Thirteen students were chosen this year to be on the Recruiters team and give speeches to grade school students about Roncalli. Recruiters wrote their own talks on one of the following topics — academics, activities, sports, finances, student life and freshman year. A slide show was presented featuring Rita Cotton and Dave Wenck.

The student recruiters visited all of the feeder parish grade schools with Miss Katrina Moerles, recruitment director, and Brother Steve Foral, F.S.C., Forensics coach.

BAND AND CHORUS

This year Roncalli welcomes band and chorus director Mr. Rashleigh to the scene. Mr. Rashleigh showed his pride by providing band appearances at football games and assemblies and by bringing the Omaha Symphony to Roncalli to ignite yuletide feelings during the Christmas season. The Redick Avenue dance club, under Mr. Rashleigh's direction, also made their talent known by entertaining grade schools and parents at scheduled performances. This year's performances can be considered a step in the right direction.

Campus Ministry has provided service and aid to our Roncalli Community and others outside our own to bring a sense of unity through need. Under the capable leadership of Bro. William Woeger, Campus Ministries provide the talent, ideas and heart to successfully accomplish different tasks, such as planning and execution of liturgies, various retreats, the Big Brother/Big Sister Program, Pax Christi, Community Service, parish involvement, and Special Ministers of the Eucharist. Providing these services, as well as many others, Campus Ministries make it easy to define the "Pride" of Roncalli.

The student council consists of elected members of the student body. They serve as a voice to interpret the students' views and ideas to the administration. The student council is also necessary to carry out all the activities that are school-related. Examples of these would be dances, spirit chains, Homecoming week, and of course Roncalli week.

As we take a look back at the underclassmen, we noticed a group that was united in various ways. The future of Roncalli lies in their hands. The students carried on the school pride, as they took another step in time. Their enthusiasm in academics and sports reflected the way others thought of Roncalli.

Since the underclassmen consisted of three-fourths of the student body, they played a major role in the school. The young scholars were eager to learn and earn credits for graduation. Also, the students were enthusiastic about participating in extra-curricular activities. They kept themselves very active and involved with sports and theater. For instance, a total of 57 underclassmen took part in the production of the spring musical. Also, the Freshmen boys basketball team and the Freshmen girls volleyball team both won conferences. The Junior Varsity football team were co-champions for the season. The underclassmen contributed greatly to the Crimson Pride.

The school year of 1983-1984 was a successful and exciting time. The underclassmen contributed greatly to the school and to each other. They will carry on the traditions and make new trends because the underclassmen are the future of Roncalli.

As you take a "Step in Time" you are flooded with memories of Junior year... cramming for U.S. Government tests, the weekends you were so buried in books that you couldn't find the door, staying up until 4:00 in the morning correcting your research paper, scurrying to get a few extra credits to make Senior year a breeze. Now as you take another "Step in Time" the future has you anxiously awaiting... Seniority, being dismissed at 1:16, seeking the man whom only Seniors can understand, (Mr. North), and finally the last "Step in Time" — Graduation.

RONCALLI

Dear Seniors:

In the fall of 1980, you and I entered Roncalli High School together. We were filled with optimism and enthusiasm, but deep inside a little frightened at the challenges which faced us. Now it is time for you to move on to bigger challenges and greater opportunities.

I do not feel sad about being left behind. Next fall a new group of students will enter Roncalli, with the same hopes and dreams you had four years ago. I will have new challenges and opportunities here at Roncalli. For you, it will be a much wider world that you will face.

I have confidence that we have given you the tools necessary to achieve productive courses. More importantly, you have developed a relationship with God and each other that will support you the rest of your life.

Asking God's blessings on you and your dreams, and until you visit us again, I remain:

Sincerely,

Dennis L. Henkenius

IT'S A THRILLER

Regina Rule - Volleyball
All State and All Star
Team selection.

Roncalli Athletics have captured the respect and attention of the State of Nebraska. When opponents played the Pride they thought it would be an easy victory for them; they quickly found out it was not. Roncalli always showed its true Pride, whether it was pinning an opponent, kicking a goal, scoring a touchdown, hitting a forehand, swinging for the fence, spiking a point, shooting a jumpshot, making a big splash, running their soles out, or making the crucial putt! Roncalli sports have shown other schools what "Class" really is and have made an impact on the State for years to come.

I'm tired of everyone crying about Roncalli being No. 1. How do you think the Roncalli football team feels not being able to prove their rating? If you ask me, the lucky ones are Springfield-Platteview and Grand Island CC, because they didn't have to tangle with the Pride for 48 minutes.

Two bits, four bits, six bits, a dollar, all for Roncalli stand up and holler. Sound familiar? The enthusiasm that rebounded throughout the gyms and stadium exemplified the fantastic year of Roncalli. Early morning summer practices, camps, and soapy car washes "revved" up the squads for the school year. Spirit, pride, and dedication carried them through imaginative pep rallies and original pom-pom routines. The cheerleaders wish to thank Mrs. Karen French for her unyielding support, and little Katie French who humored the audiences with her charm.

State Champions — No Doubt At Roncalli!

After being ranked number one since the second week of the season, one-eighth of a point kept the Pride from rolling to an undisputed State Championship! The Omaha World Herald and Lincoln Star felt the team was unmatched in Class B competition and ranked the Pride #1 in both of their newspapers. Coaches from outstate were outraged with the final ratings and claimed they were cheated. These coaches never saw the ferocious defense or explosive offense that gave Roncalli its first ever winning season.

The Pride lost two heart-breaking games in a row and desperately needed a win. The team united to overpower Millard North and secure the winning season. Joe Martin, Mick McGill, Jay Ramsey and John Rogokos received All Conference Honorable Mention. Dan Grasso, Mike Hutchinson, Dave Mumm and Phil Higgins made All Conference. Honorable Mention All State Class B went to McGill, Grasso, Higgins, Rogokos and Hutchinson. Mumm made Class B All State. Mumm made first team All Metro and Higgins received second team honors. Mumm also made second team All State.

Pride Proves Skeptics Wrong

Determination was the key factor to the Pride's unexpected successful season. Although many felt that this team was not as talented as the previous ones, the players knew their potential and wanted to prove it. The team did so by making it to the Class B State semi-finals, and a number four ranking in the **Omaha World Herald** and **Lincoln Star**. The team accomplished almost every goal they had set for themselves, except for the State and Metro Championships. They won

the Roncalli Invitational and placed third at Raymond Central. The mighty Pride netted their fifth District Title in a row. Regina Rule (Miss Everything) received more honors than any other Roncalli volleyball player ever! Regina was first team All Conference, All Metro, and All State. Carol Gard and Cari Dannenberg dinked and set their way to Honorable Mention All Conference and All State honors.

Cross Country

Well Needed Experience

A strong finish in districts left Coach Thielen with a promising team for next year. Mike Soltys, the only senior, provided what little experience they had to help the team sprint across the finish line. Even though the squad met up with stiff competition, Coach Thielen believes they accomplished much, and with the quality of runners coming back, they should be able to gather up enough steam to carry them to state.

One - Two Punch

A left (Suzanne Hickey) and a right (Christa Mildebrath) results in a knock out in any book. Seniors Suzanne Hickey and Christa Mildebrath were the lone runners for the girls Cross Country team. However, the explosive power of these two allowed Christa to push Suzanne to first place finishes in the Metro and Roncalli Invitationals. Coach Thielen believes that this 1-2 punch was the best in Metro.

Boys Basketball

Dreams End But Memories Linger On

A cocky, undefeated, top-ranked Mt. Michael Basketball Team strolled in to the Roncalli gym looking to add to their 34 game winning streak. But a confident, quick Pride Squad upset the Knights in a 60-58 win that proved to be the biggest in Roncalli's history. As the last desperation shot fell short, and the crowd swarmed on the court to congratulate their heroes, a State Championship dream was becoming more of a reality. This dream had started long before the season had, but was ended in the first round of District play. It was a dream that many shared and few will forget. Their 9-10 season, led by Gary Washington's 13.2 points per game, was filled with many exciting games and plays. This extremely talented team was the pro-

duct of hard, sweat-filled practices, superb coaching, and supporting fans. Another big asset that this team possessed was unity. This team was very closely knitted. Pre-game breakfasts, lunches, and post-game celebrations all contributed greatly in this unity. Emotions that were shown throughout the season were proof of this. Lots of laughter and tears were shown, and friendships were strengthened. Mick McGill and Dan Grasso were All Conference Honorable Mention, and Grasso was All State Honorable Mention. John Headid and Tim Hand will provide strong play and leadership next season. A quick front and back court will be the strength of this young, but experienced team.

Girls Basketball

Inexperience Proved Costly

Constructing a 4-14 record is not what we expected from this talented but inexperienced group of lady players. But to build a strong team, first you have to lay a strong foundation. Starting two sophomores, combined with girls getting playing time on the J.V. squad is the structure to build on this foundation. With only one returning letterman many positions had to be filled with inexperienced players. This proved to be costly in the tough Metro this year. This inexperience added to inconsistent playing made winning even more scarce. This team did play well together at times,

but could not find the winning combination. Two time returning letterman Carol Gard was the scoring machine for the Pride with a 16.1 average. She also received All Metro Second Team and All State Honorable Mention honors. Cari Dannenberg and Angie Clark, also seniors provided strong play and leadership. The competitive spirit of this team was great. They never quit. The two sophomores, Tricia McGill and Cheri Nuehalfen got well needed experience for the years to come. Next year's team should explode with quickness and talented, experienced ball players.

District Champions 9th In State

One pin led to another, as Roncalli wrestlers captured their first District Championship! 6 individuals qualified for state competition, and hopes for a State Championship were high. Despite not winning the title, a 9th place finish was still a great performance. The Pride had its first winning dual season, and won more medals than had ever been won before. Mike Hutchinson, Roncalli's best finisher at state, used his takedown skills to capture 3rd place. Hutchinson also finished 1st at the Prep Invitational. Rick Grint

captured the District crown, and finished 4th at State. Grint also won the Prep and Plattsmouth Invitionals. Metro Champion, Kris Anderson, won the Roncalli Invitational, District Championship, and finished 5th at state. Pat Krebbs won the Boystown and South Sioux City Invitionals. He was voted the outstanding wrestler of the Prep Tournament, and qualified for state. John Champion won Districts for the 2nd year in a row, and sophomore Steve Skelton showed early maturity by qualifying for state.

Swimming

Young Powerful Team

A predominantly freshmen and sophomore girls swim team had many sparkling areas. "The team has strong young talent which should make for a good team next year" adds Coach Slaight. Seniors Stacey Meisenbach, Kris Collins, and Diane Virgileto provided leadership by encouraging these underclassmen. An injury to sophomore Karin Riesselman hindered strong chances for the girls relay team to finish among the leaders in the metro conference.

Record Breaking Season

The senior lead swim team brought the boys to new heights. Seniors Paul Andrews, Rob Riesselman, and Sean Hodgen paced the boys team to new school records. Among the strongest events were the 400 freestyle relay and the 200 medley relay. Rob Riesselman, in the 100-yd backstroke, made Roncalli history by being the only male to qualify for state. "The guys were a lot of fun to work with and I wish them the best of luck in the future" said Coach Slaight.

Baseball

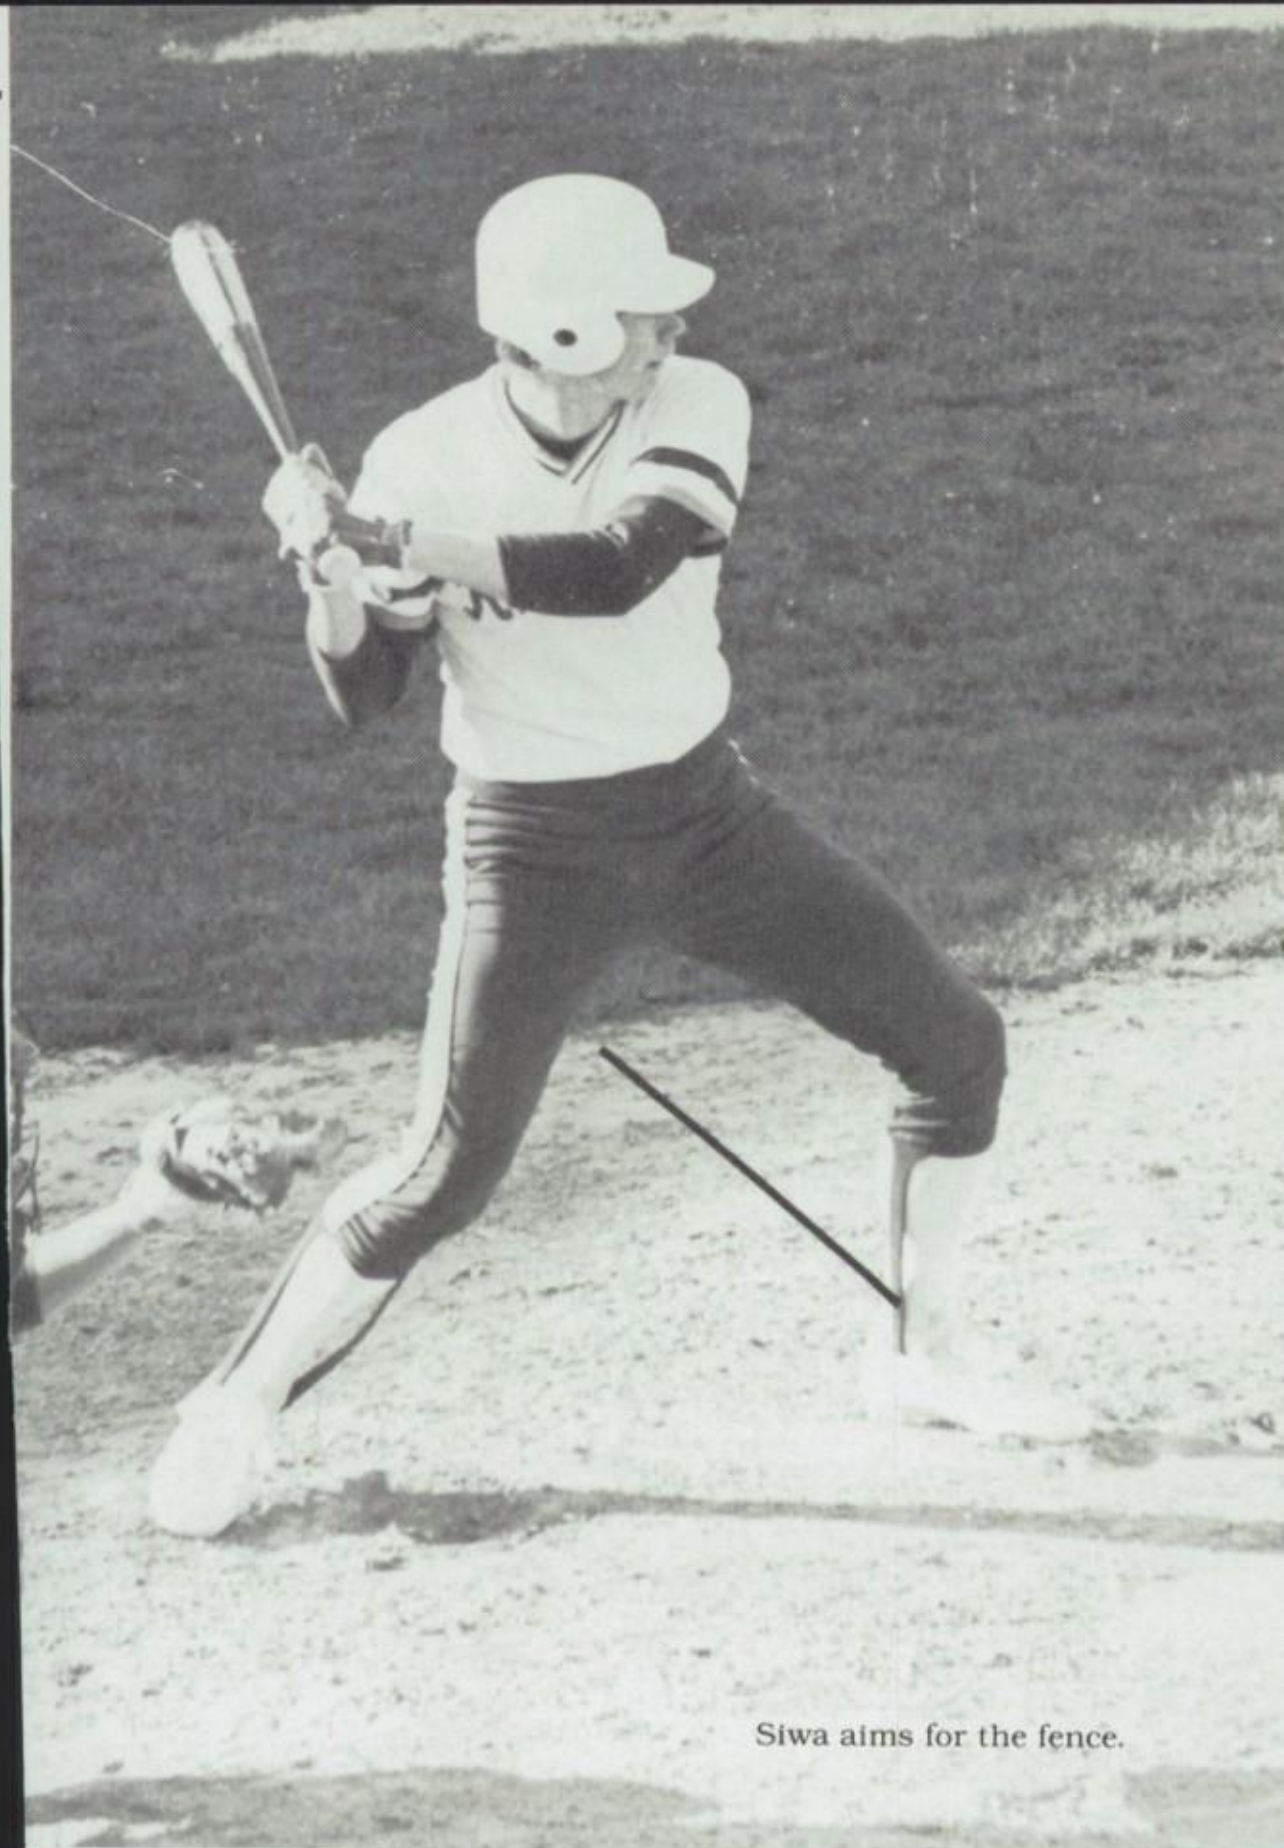

Team Effort, No Superstars

The obstacle which hurt baseball and all other spring sports here at Roncalli was Mother Nature. With constant rains, games had to be rescheduled later in the season. The well balanced roster consisted of six juniors and six seniors. Don Munchrath was the power hitter on the team. His bat was hot from the first game of the season and continued through the season.

Joe Siwa is one of the best players in the state at his position of catcher. The outstanding fielding and acrobatic diving catches of Dan Grasso kept the points low on the scoreboard for the opposing team. The double play combination of John Murcek and Tom Incontro was far superior to other D.P. combo's in the Metro. Coach Culver guided the Pride to a State Tourney birth.

Washington Takes State

Each year is different and each team has a trademark. This year's team's overall spread of ability made our program look strong in many areas. Seniors such as Mike Soltys, Gary Washington, Mark Oswald, John Rogokos, Matt Lampe, Jay Ramsey, Joe Martin, and Rob Reynolds contributed not only in performance but in personality as well. Their talent has not only shined in meets, but in their friendship and leadership for all. Gary Washington set a new school record in winning the 100 meters at Districts with a 10.77 blowout. Gary Washington breezed by opponents on his way to a gold medal at the State track meet in the 100 meter sprint. Gary also placed 4th in the 200. The relay team of Ramsey, Rogokos, Todd Thoma, and Washington were District Champs, setting a new school record of 44.14. The team scored 18 points and tied for 10th place at the State track meet. The bread and butter of this team was their ability to keep improving throughout the year.

Girls Track

Personal Best

Through rain or shine the Girls track team always crossed the finish line. Bad weather during the '84 season couldn't dampen their spirits. Under the direction of Susanne Hickey and Corrine Weidner, along with Christa Mildebrath, the team achieved many personal goals. The heave-ho strength of Kelly Griffith in the shot and discus earned respect in field events. Alice Koch displayed excellent power in the Sprints.

Considering their inexperience, the freshmen developed strong, talented abilities for the years to come; however, they paid their dues with hard work and sweat. Everyday spectators could see these girls running 3-5 miles combined with interval work on the track. The girls whined their way through the grueling practices, but they stuck to it and worked as hard as they could. Coaches Thielen and Pawol are looking forward to a strong season next year.

Here, you take it.

Tough Year To Swing

Composed of all underclassmen, the tennis team ended their rebuilding season with a twelfth place finish at State. Pat Goodman, Casey Gates, and Aaron Clark kept the team's hopes alive with their state qualifications. While Casey and Aaron lost second round matches, Pat slammed his way to the semi-finals and was tied for third. Because of the rebuilding year, and with all returning lettermen back, next year could be promising.

Junior Domination

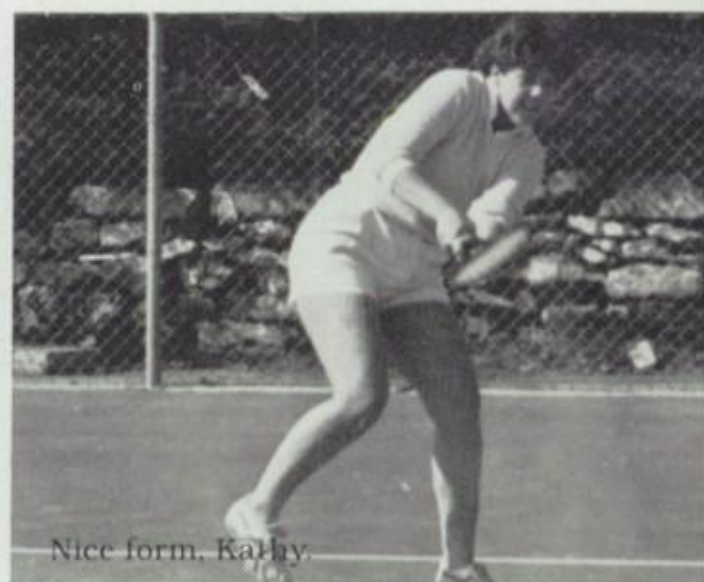

Junior Donna Glow was the backbone of the girl racketeers this spring. She slowly but surely swung her way deep into the Metro Tournament before being beaten by the eventual Metro Champ. This junior dominated team, with only one senior, Kathy Uhlenbrock, had a 4-7 season. This had surprised many but not all. Coach Kathy Slaight was pleased with the season and hopes next year is just as good. A lot of inexperienced players got well needed playing time to improve on next season which could be one of the best ever at Roncalli.

Lynch Takes Over

Dan Lynch blistered the Columbus Golf Course with a one under par 71 to claim the District Championship. Dan also swung his way to an eleventh place finish at state and tenth in Metro. Despite the fact that only one senior, John Hanrahan, was on the team they still managed to claim eighth in Metro and fourth in Districts.

Girls Golf

Close. But No Victory

With the team getting caught in the roughs and sandtraps, Corrine Wiedner provided a bright spot for the girls golf team. Corrine, one of three seniors on the team, remained on the straight and narrow, long enough to be the team's lone state qualifier. A young team, three seniors, three juniors, and four freshmen, played better than their 0-10 record might express. The matches were hard fought from tee to green with only a few strokes making the difference.

Boys Soccer

Team Unity

A powerful front-line led the Varsity team into post-season play. Junior Tim Hand led the team in scoring with 12 goals, four in one game. Other scoring threats were seniors Paul Andrews, Rob Riesselman, and Steve Hassenstab. Sean Hodgen anchored a tough but inexperienced defense. Jim Lovely and Tim Hand were selected to the All-Metro team with Riesselman gaining honorable-mention. Teamwork and determination made a 3rd place Zenon Cup finish possible.

—Girls Soccer—

Front-line Power

Offense was the strength of the Lady Pride's team. All three frontline girls, Mylee Hand, Cheri Neuhalfen, and Tricia McGill, were nominated for the all-Metro team. Youth also played a key role in the season. With only one senior, the team still qualified for post-season play. The team defeated such powers as Westside and Duschene and never backed away from any opponent. Coach Cunningham was proud with the way the team handled the pressure.

J.V. Football

How Sweet It Is

An interception! a 42 quick! a touchdown! Another victory! Conquering all opposition the J.V. team claimed the distinction of being Roncalli's first undefeated football team, and the Metro champ. Their talent and determination was combined with that magic ingredient "confidence" to ensure victory. The offense was led by quarterback John Murcek, while the rushing chores were carried out by Chad Crouch and Dan Rogokos. The defense was led by Dave Wenck who compiled 8 interceptions at the season's end.

Experience Holds Key To Future

Inexperience, not lack of talent, halted the rookie gridders this Fall. Coach Culver believes this group had as much talent as any team he has coached. He also said he was disappointed in the season because his expectations were very high. "A 2-6 record was not what we expected from a team with this much talent." Pat Dotzler guided the team at QB, while the rushing chores were carried out by Carl "Monday" Lucas, Jimmy Martinez, and Damon LaFlore. If this team grows with its potential, a State Championship could be a part of Roncali's future.

Team Establishes Hopeful Future

First year coach, Colette Pawol, demonstrated her abilities to obtain a successful season. She orchestrated the J.V. volleyball team to two surprising upset victories over highly ranked Marian. Coach Pawol emphasized team play while compiling a 7-9 record. Juniors Kathy Harrison and Janet Prochaska sparked a squad loaded with talent. Because of the bench strength, all the girls experienced plenty of game time. These J.V. players will carry on Roncalli's winning volleyball tradition.

What concentration.

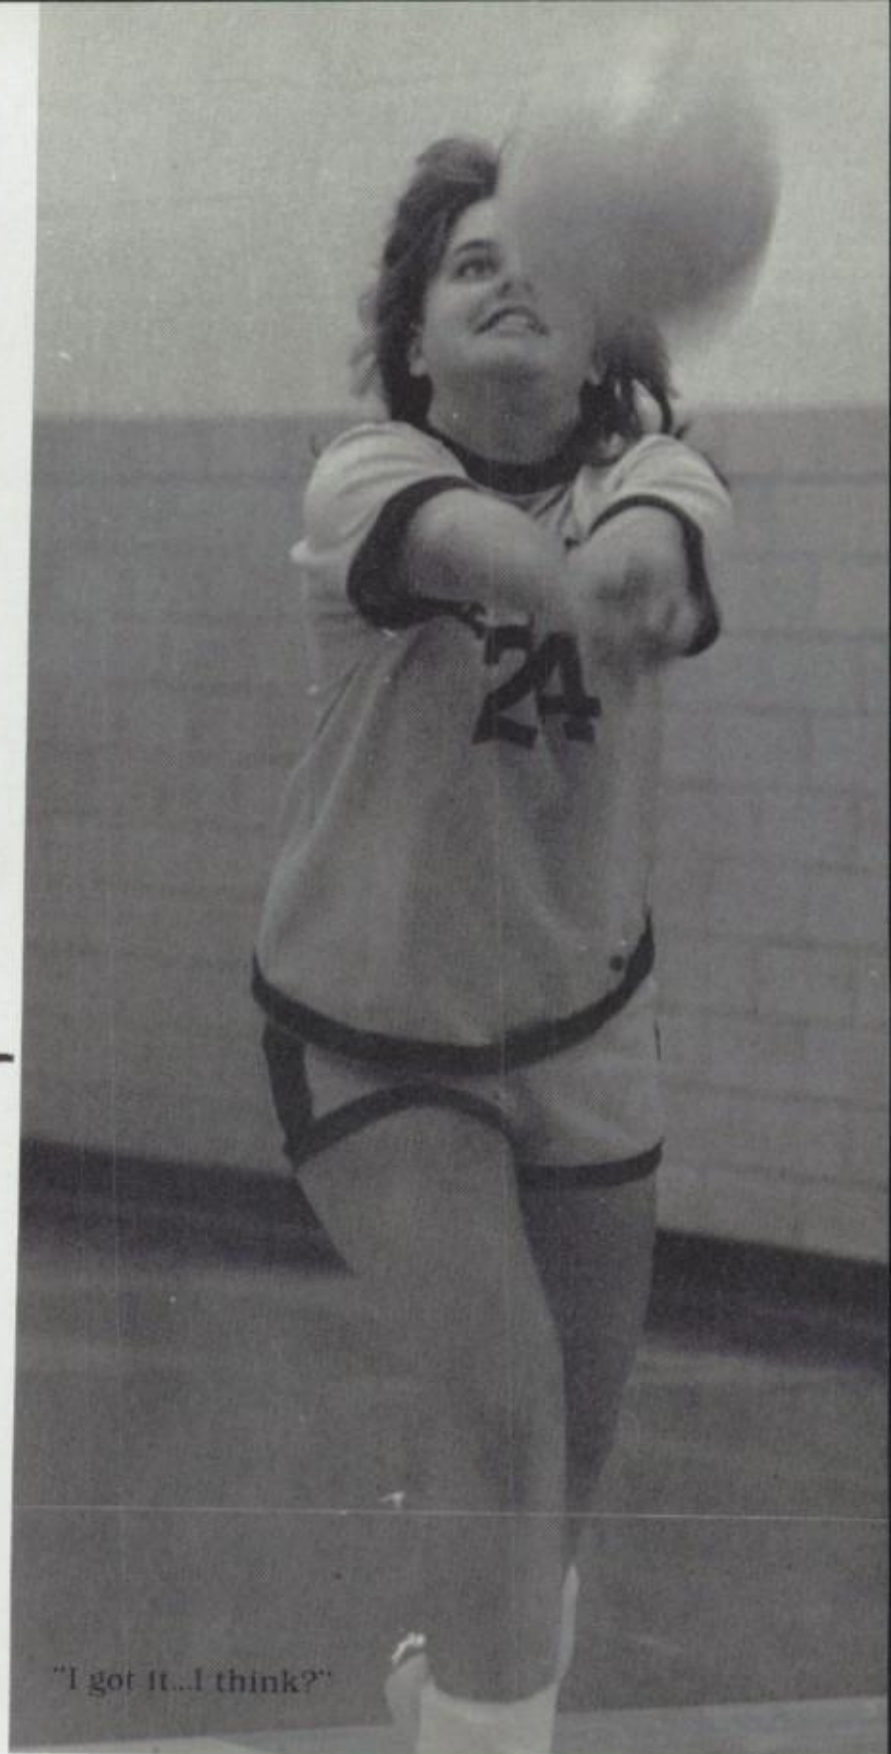

Oh-----!

Frosh Volleyball

Pressure, No Obstacle For Frosh

Pressure is an element that all teams must handle to win. Good teams, like the freshmen A and B teams, handled it well. The A team excited crowds while rolling to a 12-4 record. The A squad steamed into the post season tournament with a No. 1 ranking before getting upset in the semi-finals. The B team complimented the A with an equally impressive record of 9-4. "The girls were a joy to work with," stated Coach Rieke. "They showed a lot of energy and enthusiasm toward the sport."

"I got it...I think?"

J.V. Basketball

Youth Needs Experience

Consisting of six sophomores and three juniors, the Junior Varsity basketball team was obviously very young. Because of their inexperience, the team managed only three victories and finished their season with a 3-13 record. Leading the team with an average of 10 points a game were Tim Hand and Jack Catton, while Todd Dworak followed close behind with 8.

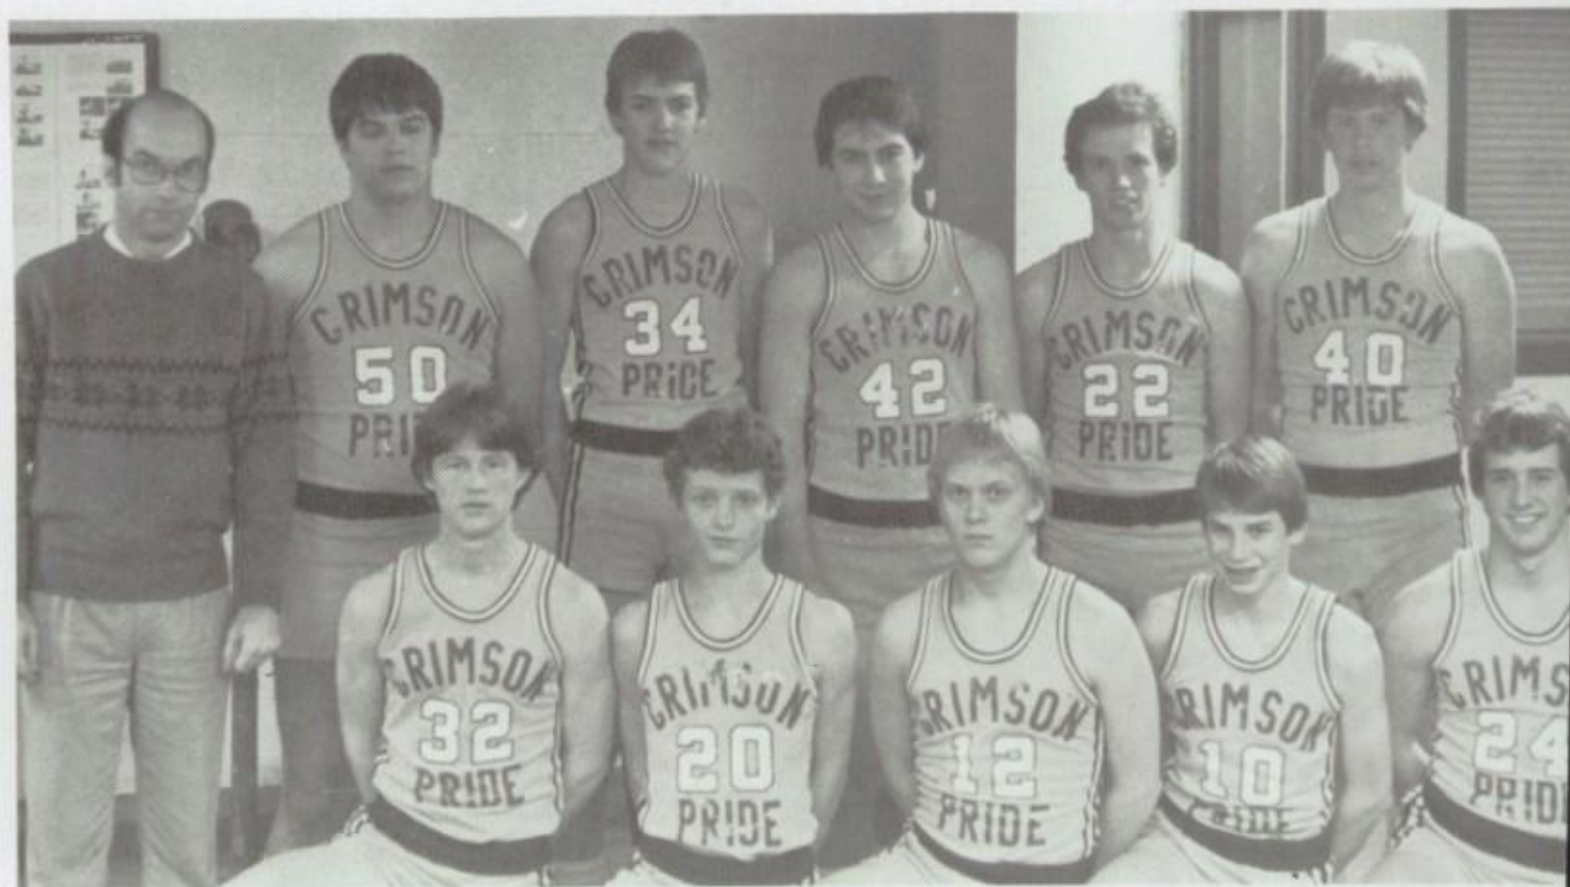

Basketball is a noun.

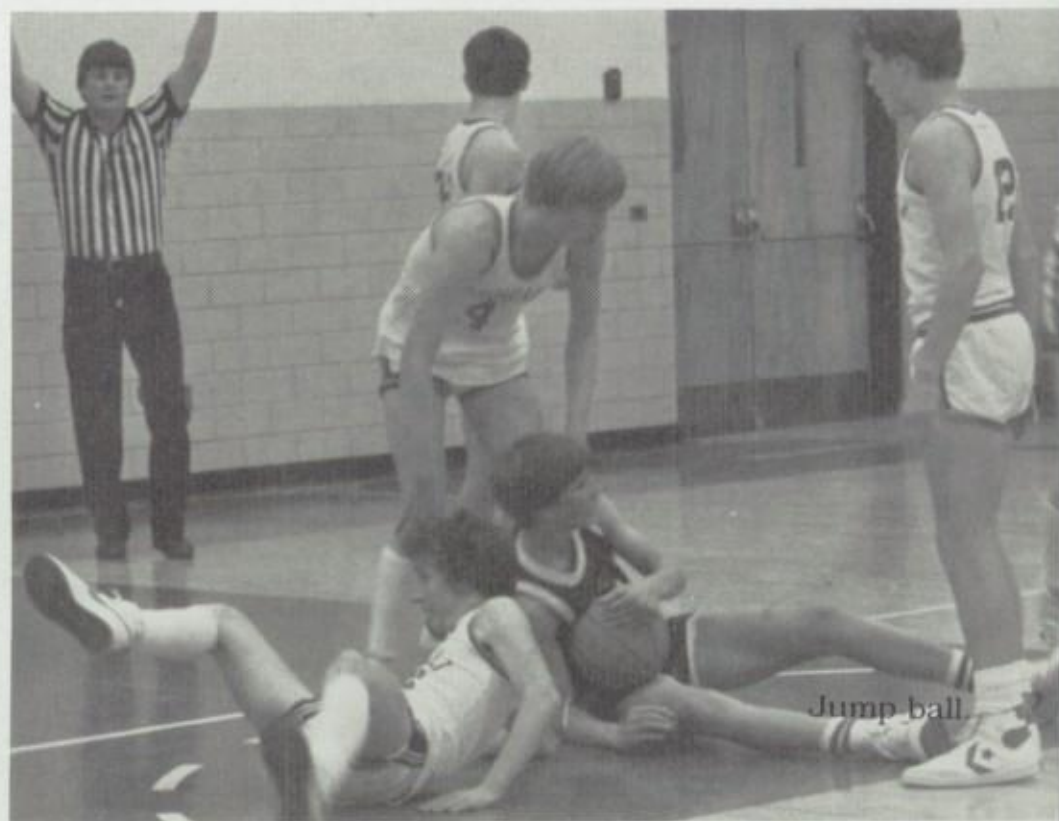

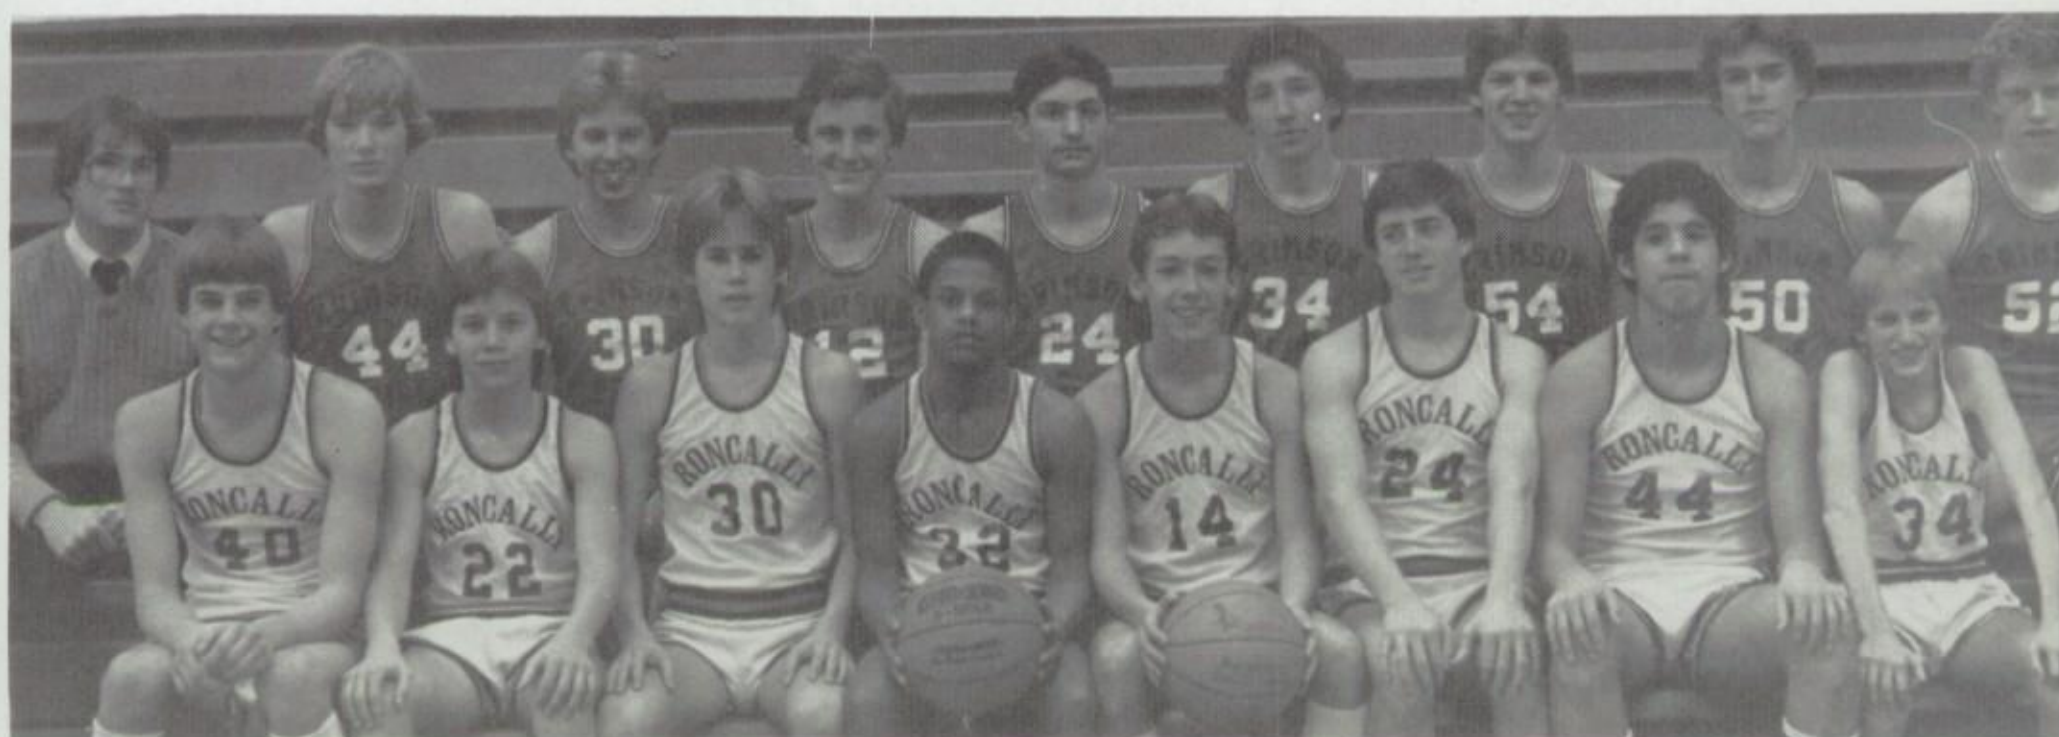

No blood. No foul.

Frosh Basketball

Freshmen Dominate the Court

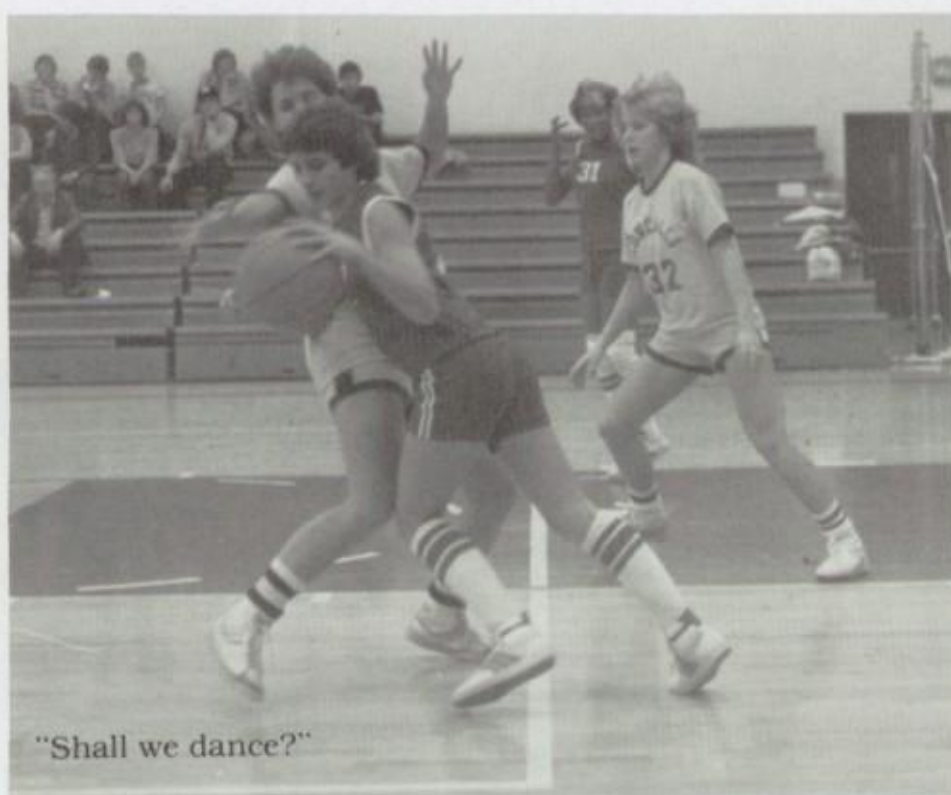

For the first time in the school's history, the freshmen boys basketball team won the Conference Tournament Championship! During the season the team won 9 games in a row and were crowned Papillion Tournament Champs. They finished their tremendous season with a 15-5 record. The freshmen had great depth and were blessed with many talented individuals. Pat Dotzler led the offense with an average 16 points per game, while Tim Schroer's quick hands and feet keyed the defense.

Pressure Handlers

During their season, the J.V. Girls Basketball team learned a great deal. Although their 6-8 record may not seem impressive, Coach Sandy Fletcher felt a sense of accomplishment. The team had the ability to win and handle the pressure of a close game. Keeping the nets ripping, Alice Koch averaged 11 points a game and had a high game against South with 23 points. Coach Fletcher stated, "The most outstanding players were Corinne Flemming and Mylee Hand on defense. She summed up the season with the understanding and belief that it is the little things that count."

Frosh Basketball

Improved 100%

100% improvement from the beginning of the season, pleased Coach John Higgins, of the freshmen girls basketball team. Their hopes for victory were shattered, when Marian scored a last-second bucket to defeat the Pride 52-50. Barb Fleming and Lisa Gittings kept the points rolling on the scoreboard throughout the season. Despite their 6-9 record, Coach Higgins enjoyed coaching the girls through their rookie season at Roncalli.

"Andy, shoot! That's a star! It's ripe."

"Somebody help me!"

Back Row: L. Gittings, S. Blum, K. Colgan, J. Harding, S. Newmann, Coach Higgins. **Front Row:** Krof, B. Fleming, C. Haley, T. Jones.

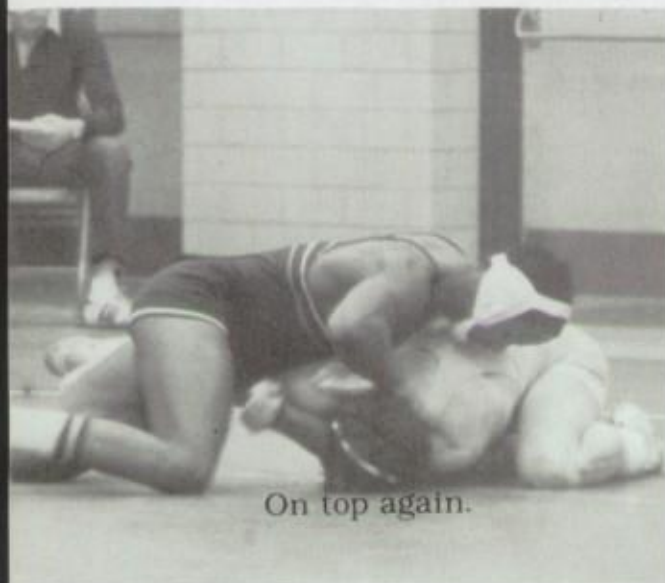

Frosh Wrestling

Quality is #1

"The quality of the team was the best ever" says coach Krueger. The individuals which made up the freshmen team had great learning potential and powerful moves. Among the top grapplers on the team were Dan Mulgarus and Joel Anderson who finished fourth in the freshmen tourney, and Carl Lucas who finished second.

Top Row: M. Belgrave, F. Seldera, R. Guinotte, R. Hunsker, J. Anderson, Coach Krueger. **Bottom Row:** N. Champion, J. Ziska, K. Housh, N. Theil, D. Melgares.

J.V. Soccer

The very young Junior Varsity team displayed character and pride by pushing five opponents to the limit. Coached by alumnus Bob Davis and senior Brian Johannes, this J.V. squad will be the nucleus of the future Varsity teams.

Heads up Chip.

J.V. Baseball

Stingy and Explosive

In spite of the dreary spring weather, J.V. Baseball managed to slug out a 7-2 record, one of the school's best ever. Dan McGuane's pitching arm, along with an errorless defense, kept the games close, while the teams batting average of .320 produced the needed runs.

It's early morning — right around seven o'clock. The lights are on and the doors are open. Roncalli is ready for action. Florence Egr is making coffee in the office. Charlie Krebbs is putting the third new top on a desk for Room 8.

By noon the building is in full swing. Mr. Schlueter and Mr. Bauer are hosting the student body at lunch. The secretaries have gathered to play bridge in the back faculty room. The Freshman Tacs are praying for June. The typewriters are clicking away in Miss Fletcher's room, while down the hall eager students pour data into mechanical minds in Sr. Jean's computer class. Miss Zender explains for the fourth time how the Dewey

Decimal System works. Sr. Joyce sings her own rendition of Geometry Carols. Mr. Krueger decides (again) that the yearbook probably won't get finished. Mr. Ridder explains Basic Accounting principles using diagrams of Nebraska Football plays. Mrs. Weight tries in vain to find volume "W" from the Encyclopedia Britannica. The class in Mr. Wirth's room decides that absolutely no one should be elected president. Mr. Cunningham explains the miracle of life through fish dissection.

Around 11:00 the last of the cars leave the parking lot. The lights are out, the doors are locked.

Good Night Roncalli.
See you at seven.

Mark-
Hey poker buddy.
You deal a good hand
even better when you're
themself not hurt! Get
great having you in some
Hope to see ya in some
classes.
Karen Ranga

Mark,
How's it going bud.
It has been nice knowing
you. Have fun in later
years.
Jon

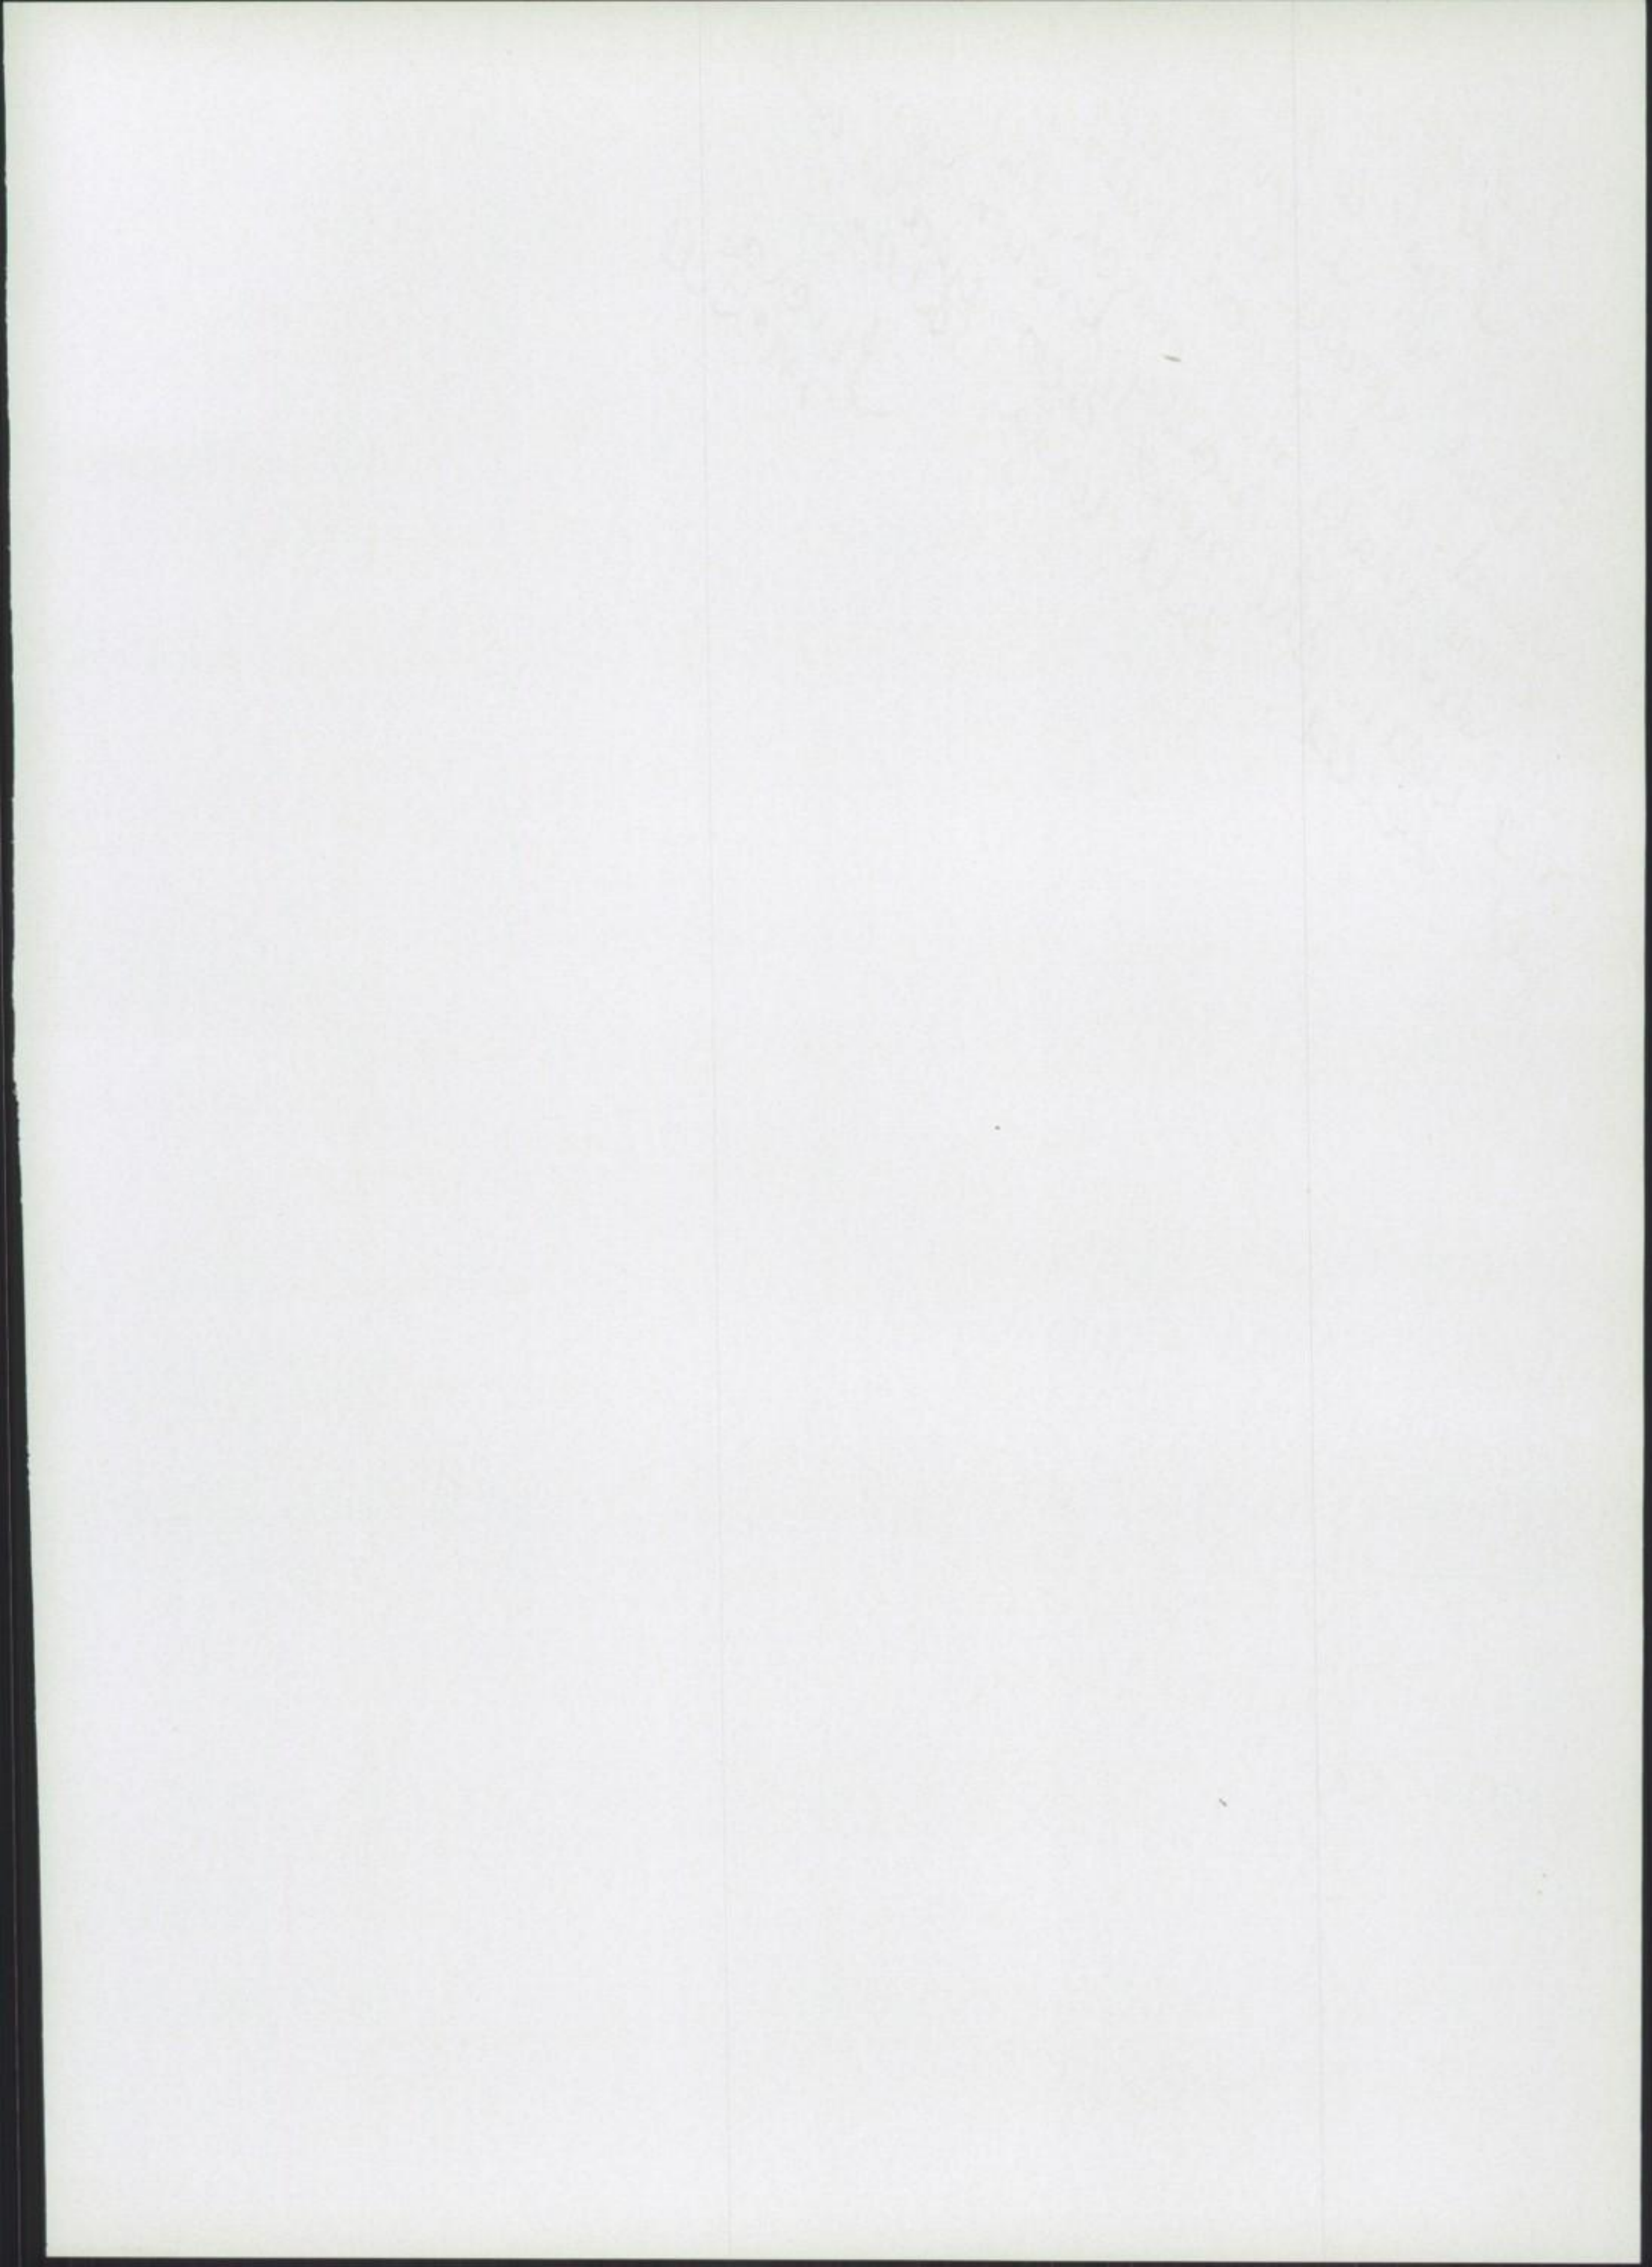

Mark
I don't know what
I'm gonna do about you
Mark, you're such a
womanizer. We're gonna
have to straighten out
your parents one of these
days. Anyway Mark you're
O.K. even though you're a
pretty big dick. Nice
knowing you Mark.
Steve Sch

Mark,

It's been fun having
you as a classmate
and a friend. Hopefully
school will agree; will
really agree; with you.

See you around,
Greg

Mark,
I'm happy to say
that we're friends!
Hope to see you in some
more of my classes!
See you around
Love
Michelle

Mark,
Last year
was the first
year I got to know
you. So far, I found
out that you're fun to be
around, and a good friend.
I know that's not much, but
hey - live only really two years later!
for 1 year. She next to ya
get better. Talk to ya
Jricia
McKell

Mark,
For as long
as I've known ya
as you not such a
bad guy after all.
Hope you luck in the
Future.
Dan
Pollreis

Mark,
Well what can
I say were
finally big, bad,
cool juniors,
Good luck in all
you do

"86"
forever
Love
Cynai

Mark, what
hey dude what
cha we doing?
So now did your
fun filled summer
go. plenty of parties
and waps (oops girls?)
well ya start just the
way ya are.
